## Cookies Policy

### Information about our use of cookies

Our website [thrivemap.io](https://thrivemap.io) (**our site**) uses cookies to distinguish you from other users of our site. This helps us to provide you with a good experience when you browse our site and also allows us to improve our site. By continuing to browse our site, you are agreeing to our use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our site. They include, for example, cookies that enable you to log into secure areas of our site.
- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our site when they are using it. This helps us to improve the way our site works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to our site. This enables us to personalise our content for you, greet you by name and remember your preferences.
- **Targeting cookies.** These cookies record your visit to our site, the pages you have visited and the links you have followed. We will use this information to make our site and the advertising displayed (if any) on it more relevant to your interests. We may also share this information with third parties for this purpose.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we

have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

You can block the download of cookies or remove/disable them (including the cookies we use) by altering the privacy settings on your web browser. Guidance on how to do this can be found at [www.cookiepedia.co.uk](http://www.cookiepedia.co.uk). However, if you use your browser settings to block all cookies (including essential cookies), you may not be able to access all or parts of our site.
